Aloha!

Hawai'i Pacific Health invites you to "Getting a Grip on Arthritis", organized by the Bone & Joint Center at Straub, a specialty of Hawai'i Pacific Health, on Saturday, April 3, 2010 at the Ala Moana Hotel, Hibiscus Ballroom.

The Bone & Joint Center at Straub is Hawai'i's first multi-disciplinary center to provide comprehensive orthopedic, sports medicine and rheumatology services. The expertly trained staff are sub-specialized in focused areas of musculoskeletal care practices, providing you the highest quality of coordinated surgical and nonsurgical health care available.

Our speakers will provide information on how to manage your condition and present effective treatment options that are available to relieve chronic joint pain and increase joint mobility to improve the quality of your life.
